Dear Brothers and Sisters,

It is hard to believe Summer is almost at an end. Most of us are looking forward to some cooler weather and the bright Fall colors.

We have had a very busy Summer. I know many of you have been able to travel with our confirmed tickets to places you dreamed about. I hope everyone is able to take advantage of their tickets. We worked hard to earn them!

I want to thank everyone who stopped by the Heritage Room on August 29th and celebrated Labor Day. The Executive Board and I enjoyed listening and sharing with each of you. We are planning more events in the break room around the Holidays. Please keep in mind our next Membership Meeting is Monday, September 24, 2018 at 6:00pm here at the Local Union Office. If you are unable to attend you can register for Conference Call by contacting the Local or email Vickey3640@yahoo.com or Keedren.g3640@gmail.com

Also, I want to thank each of you who took the time to send photos, emails, texts or made calls regarding the problems in the building with insects. I do believe the best course of action was working together and by the Company contacting Orkin to handle the problems. We are going to be forming a Committee alongside the Company to continuously work on making sure we stay on top of this type of problem.

If you have not received a copy of our Newsletter it's probably because we do not have your personal email. Take a moment and send an email to Keedren.g3640@gmail.com and he will get a copy out to you. Very soon we will have a link on our website to sign up. STAY TUNED!!

In Unity,

*Vickey Hoots
